2. Responsibilities of Students

- 2.1 Students resident in or using the facilities of, University residential accommodation are required not to be in breach of the Regulations Student Conduct Chapter. Additionally, they are required to obey the law, have consideration for others at all times, and not to interfere with other people's academic and social needs. They are also required to provide promptly identification if asked to do so by an authorised person such as a member of University staff or Student Mentor, a person appointed by the University as a student mentor, in the residence, and, in an emergency, to carry out the directions given by a member of University staff or other authorised person.

3. Minor Offences (Dealt with Summarily)

- 3.1 Minor offences shall be dealt with summarily by the relevant Student Village Manager, a person designated by the University as being responsible for the day-to-day running of a specified cluster of student residences, following an investigation of the circumstances to determine whether there is a case to answer. The investigation should include an opportunity for the student to attend an interview with the Student Village Manager to allow representations to be made.
- 3.2 For a student on a programme where Fitness to Practise does not apply:
- 3.2 .1 If a student does not wish the offence to be dealt with summarily, they may elect for their case to be heard directly by the Accommodation Discipline Committee. The student's right to this course of action must be confirmed in writing by the Student Village Manager when providing the opportunity to attend an interview
- 3.3 For a student on a programme where Fitness to Practise applies:
- 3.3 .1 If a student does not wish the offence to be dealt with summarily the offence must be referred to the relevant College Fitness to Practise Committee.
- 3.3 .2 The student's right for this course of action must be confirmed in writing by the Student Village Manager when providing the opportunity to attend an interview.
- 3.4 If the Student Village Manager determines that an alleged disciplinary offence has arisen at a level of seriousness that makes it inappropriate to be dealt with by summary means, the Student Village Manager must instead refer the case to the Director of Academic Services for consideration under Regulations Student Conduct Chapter section 4.
- 3.5 Having decided that there has been a breach of this Code of Practice, the Student Village Manager shall have power to impose the following penalties:
- 3.5 .1 a reprimand;
- 3.5 .2 a fine, not exceeding a set maximum as determined from time to time by Senate;

- 3.5 .3 with the student's consent, student community service, the details of which must be specified before consent is solicited. Student community service shall mean that the student shall spend a specified number of hours completing a specified task or tasks for the benefit or enhancement of the residence or its environs or student life.
- 3.6 In addition, and if appropriate, the student may be required to make good any damage to University property or the property of a member of the University by payment or otherwise.
- 3.7 Before imposing the punishment of a fine the Student Village Manager shall enquire of the student whether there are any exceptional financial circumstances, which might be taken into account and, as a consequence, may authorise the arrangement of a payment schedule.
- 3.8 Disciplinary action must always be confirmed in writing to the student and a copy should be sent to the General Manager, Student Accommodation, and the Director of Academic Services' nominee. All records relating to student discipline must be treated as confidential and destroyed after a period of three years.
- 3.9 The right of appeal against summary disciplinary action must be specified to the student in writing.

- 5.1 .1 administrative or procedural irregularity;
- 5.1 .2 existence of new material evidence, which was not available when the penalty was imposed.
- 5.1 .3 severity of the penalty imposed.

In respect of a student on a programme where Fitness to Practise applies, the appeal must be referred to the relevant College.
- 5.3 Any such appeal must be submitted in writing by the student to the Chairperson of the Accommodation Discipline Committee within 10 working days of the date of the letter confirming that disciplinary action has been taken and that a penalty has been imposed.

The letter should also include any information or circumstances not taken into account when the summary penalty was imposed. In the case of an alleged administrative or procedural irregularity, evidence of the alleged irregularity must be provided.
- 5.5 The Accommodation Discipline Committee acting as an Appeal Committee shall consider the appeal within 10 working days of the receipt date of the letter of appeal.
- 5.6 The Accommodation Discipline Committee may decide to hear the matter afresh

In that event, the Chair of the Committee may decide to postpone the hearing to allow both parties to provide additional evidence or, with the consent of both parties, the Accommodation Discipline Committee may decide to continue with the hearing immediately. During the hearing, the Accommodation Discipline Committee will review the evidence and determine whether the appeal should be upheld or what penalty, if any, is to be imposed. The original summary penalty may be increased or decreased or changed to a different penalty within the powers available to the Accommodation Discipline Committee. The Appeal Committee may also refer the matter to the Director of Academic Services to be dealt with as an alleged offence under Regulations 8.3.

- 5.7 A student may also appeal against any decision reached in his or her case by the Accommodation Discipline Committee where the student had elected to have their case heard by this body. - 5.8 The letter outlining the appeal must clearly state the grounds for the appeal. The letter should also include any information or circumstances not taken into account when the summary penalty was imposed. In the case of an alleged administrative or procedural irregularity, evidence of the alleged irregularity must be provided.
- 5.9 Such appeals will be dealt with by the Vice-Chancellor or his nominee, who will review the evidence and determine whether the appeal should be upheld or what penalty, if any, is to be imposed in line with those available to an Accommodation Discipline Committee or refer the appeal to be dealt with under the procedures prescribed in Regulations Student Conduct Chapter section 3.

8. Criminal Matters
