

Proposed Students Intellectual Property Regulation**5.4 Intellectual Property**

All Registered Students must comply with the University's procedures for notifying any invention, device, discovery, material, product or process, computer software or other potentially valuable result, or innovation which it is considered might have commercial significance, whether patentable or not, developed or invented during the course of the Registered Students' research or study at the University. All Registered Students must make assignment of all rights in such intellectual property to the University. Details of the University's procedures involving sharing of revenue from exploitation are available from the Director of Research and Knowledge Transfer within each of the Colleges, the office within the University with responsibility for commercial exploitation of research results or the Registrar and Secretary. The procedures and arrangements for notification and exploitation will be the same as those for Staff in the University set out in Regulation 3.16, Patents and the Exploitation of Inventions.
