

Section 8: Student Conduct

8.1 Introduction

8.1.1 These Regulations apply to all Registered Students, students on Leave of Absence, students with Thesis Awaited Status, students who are registered as writing up, External Resit Students who have the status of external resit and Graduands ("students"). Once disciplinary proceedings have been instituted against a student under these regulations, no disciplinary action may be taken against the student under other disciplinary rules or Regulations within the University for the same misconduct, and for these purposes suspension or removal of a Registered Student or Sabbatical Officer from a University committee is not disciplinary action in itself.

Where the alleged offence relates to a Sabbatical Officer, the Investigating Officer shall be a Head of a College (or delegated authority) nominated by the Director of Academic Services.
- 8.3.2 If the Investigating Officer decides that there is a case to answer and if the student admits the alleged offence and, if appropriate, undertakes to pay compensation for any damage arising in respect of it, the Investigating Officer may, with the consent of the student, then decide to deal with the matter summarily by:
- (a) reprimanding the student; or

Regulations

- (b) imposing a fine subject to a maximum to be determined by the Senate or under delegated authority from time to time; or
- (c) determining that the student undertakes Community Service, the details of which must be specified before consent is solicited (save that this cannot be applied in respect of a Registered Student who is under the age of 18 at the date on which such consent would be solicited); or
- (d) accepting an undertaking from the student as to his or her behaviour or to engage with appropriate student support and/or remedial tuition.

- 8.3.5 If the student denies the allegation, or does not wish the matter to be dealt with as a summary offence, or the Investigating Officer deems the offence more serious than a summary offence, or if the allegation is of serious plagiarism which has become a student conduct case under the Code of Practice on Plagiarism, the Investigating Officer shall report the alleged offence in writing to the Head of College for consideration by the College Misconduct Committee or College Fitness to Practise Committee. In relation to alleged offences involving two or more students registered within two or more Colleges, if the Investigating Officer believes that it would be more appropriate for all the alleged offences to be heard by a single Misconduct Committee, the Investigating Officer may report the alleged offences in writing to the Director of Academic Services who will decide to which College Misconduct Committee the alleged offences should be referred, normally the Misconduct Committee of the College within which the majority of students involved are registered; this shall not apply to a student following a fitness to practise programme who must in every instance be referred to the Fitness to Practise Committee of the College within which the student is registered.

8.4 Non-summary Offences

- 8.4.1 If the student is referred to a College Misconduct Committee or College Fitness to Practise Committee in accordance with clause 8.3.5 above then the matter will be dealt with as a non-summary offence.
