

## 1915 (571)

An anonymous astrological calendar for the year 1055/1645, evidently written within the Ottoman dominions, since Sultān Ibrāhīm I is mentioned as the reigning monarch.

Written in Nashī of the 17th century; every line is between red rulings; important words, figures, &c., in red, and decorative headings in red, green, and yellow ink.

Size: 302 × 209 mm.; fols. 14; 30 lines.
