LEARNING DEVELOPMENT PROJECT OVERVIEW FORM

UNIVERSITY OF BIRMINGHAM

Project title	Web-based support for Key Skills across the Curriculum		Project ID No	CLAD – HIST017
Strategy area/theme	Education			
Start date	January 2001	Completion date	October 2001	
Project type	Learner enhancement project			
Level	Undergraduate	Programme of study	BA Humanities	
Aims	To develop online support for key skills. The project linked the development of a 20 credit `Key Skills` module at level 1 to the skills learning outcomes of subject based modules at level 1.			
Objectives	1. To develop a self-standing Key Skills module 2. Elements to be embedded in on-line subject modules 3. To provide opportunities for the consolidation and revision of Key Skills linked to assessment in subject modules at level 1			
Overview	This project developed the first stage of a 20 credit, self-standing, key skills module for level 1 students on the UoB Westhill, BA Humanities Programmes. The first stage of the project was to develop the ICT component of the new module, identifying the learning outcomes, assessment methods, learning materials and support systems needed to enhance the students' learning experience throughout level 1.
