The musical score consists of four staves. The top two staves are for woodwind instruments (Cno/Vno and [Cno/Vno?]) and feature eighth-note patterns. The third staff is for Bassoon (B.Va) and includes a sixteenth-note bass line. The bottom staff is for Double Bass (Bc) and shows sustained notes. Measure 7 concludes with a double bar line. Measure 8 begins with a sharp sign below the staff, indicating a key change.

This musical score page contains six staves of music for orchestra and choir. The staves are labeled from top to bottom: Cno/Vno, [Cno/Vno?], B.Va, Bc, Cno/Vno, [Cno/Vno?], B.Va, C, B, and Bc. Measure 217 starts with a single note on the Cno/Vno staff, followed by a series of eighth-note patterns on the other staves. Measure 220 begins with a dynamic change and continues the rhythmic patterns established in measure 217. The vocal parts (C, B) have lyrics written below them: "O, s'A - mor ti con -". Measure numbers 217 and 220 are indicated at the top left of their respective staves. Measure 220 concludes with a measure number 6 at the bottom right.

This musical score page shows a section for orchestra and choir. The instrumentation includes Cno/Vno, [Cno/Vno?], B.Va, C, A, T, B, and Bc. The vocal parts are labeled with their initials (A, C, T, B, Bc) and include lyrics such as 't' e - sten - di:', 'Tan - to bra - mar non', and 't' e - sten - di:'. The score is in common time, with a key signature of one flat. Measure 262 begins with a dynamic of 262. The vocal parts enter with sustained notes and then sing the lyrics. The orchestra parts provide harmonic support with sustained notes and occasional chords.

266

A musical score page showing eight staves of music. The top two staves are for woodwind instruments (Cno/Vno and [Cno/Vno?]), followed by Bassoon (B.Va), then three vocal parts (C, A, T) and a bass part (B). The vocal parts have lyrics written below them. The score is in common time, with a key signature of one flat. Measure 1 consists of quarter notes. Measures 2-4 show various note patterns including eighth and sixteenth notes. Measures 5-6 show sustained notes and rests. The vocal parts begin singing in measure 5.

Midst the white lilies and red roses

Of the loving cheeks
Almost between flowers and fronds
It flies happily and hides itself,
The heart filled with joy,
Where Cupid, become a little bird, has his
nest.

Then, boldly, are raised towards the stars
The two beautiful eyes,
From which he catches fire,
Receives death and life,
Full of happiness
A salamander of Love, or indeed a
phoenix.

There, watching the celestial wheels
Of flaming rings,
With his silent sighs
With no longer understood notes,
The heart forms to his joy and delight
New sensations of Love.

2. **Fra bianchi gigli e fra vermiglie rose**

Canzone AabbcC bzw. AbbacC) / AbB)
(Anon.)

Fra bianchi gigli e fra vermiglie rose

delle guancie amorose,
quasi tra fiori e fronde
lieto vola e s'asconde,
colmo di gioia il core,
fatto augellino ov'ha il suo nido Amore.

Indi ardito s'inalza ver le stelle
delle due luci belle,
ivi se stesso accende
morte e vita riprende
Tutto, tutto felice
salamandra d'Amor anzi fenice.

Colà mirando le celesti ruote
di fiammeggianti giri
con suoi muti sospiri
con non più intese note
nuovi sensi d'Amore
forma alle gioie, a' suoi diletti il core.

Unter den weißen Lilien und zinnoberroten
Rosen

der liebreichen Wangen
fliegt gleichsam zwischen Blumen und Blättern
glücklich das Herz und versteckt sich
ganz voller Freude,
zum Vöglein gemacht, dort, wo Amor sein Nest
hat.

Von dort erhebt es sich kühn zu den Sternen
der beiden schönen Augenlichter,
daran entzündet es sich selbst,
empfängt Tod und Leben wieder
völlig beglückt
ein Salamander der Liebe oder gar Phoenix.

Indem es dort die Himmelsräder
auf flammenden Bahnen betrachtet,
bringt mit seinen stummen Seufzern,
mit nie zuvor gehörten Tönen,
neue Liebesempfindungen
das Herz bei solchen Freuden und Wonnen

But while he spreads his yearning feathers,
Too high and too close
To the divine spheres
Of amorous light
Like an Icarus of love
His heart falls transfixed and struck by
lightning.

Fortunate fall and daring flight

Since into a sea of milk
Though burned and injured
He finds twixt virgin snows
Falling in a white bosom
Fortunate health, lifegiving shelter.

O, if Love will grant you an eternal home

In the serene burning
Of the eyes, or inside
The cooling bosom,
Between ice and burning
Whether bird or a fish you are blessed, o
heart.

Ma mentre spiega le bramose piume,
troppo in alto e vicine
alle sfere divine
del amoroso lume
quasi Icaro d'Amore
cade trafitto e fulminato il core.

Venturosa caduta e volo ardito

poiché nel mar di lat[te]
se ben arso e ferito
trovi fra nev'intatte
cadendo e 'n bianco petto
fortunata salute, almo ricetto.

O, s'Amor ti concede albergo eterno

nell'ardente sereno
de gl'occhi, o nell'interno
dell'aggiaciato seno
Fra 'l ghiaccio e fra l'ardore
augello o pesce sei beato o core.

hervor.

Doch da es die sehn suchtsvollen Schwingen
allzu hoch und nah
an den göttlichen Sphären
der liebreichen Augensterne ausbreitet,
stürzt, gleichsam ein Icarus in der Liebe
durchbohrt und vom Blitz getroffen hinab das
Herz.

Oh abenteuerreicher Fall und kühner Flug,

denn im milchweißen Meer
- wenn auch verbrannt und verletzt -
findest du unter unberührtem Schnee,
auf weißen Busen stürzend,
Glückseligkeit und göttlichen Unterschlupf.

Oh, wenn Amor dir ewigen Aufenthalt
gewährte
im heiteren Glühen
der Augen oder inmitten
der eisbedeckten Brust,
so wärst zwischen Eis und Feuer
ein Vogel du oder ein Fisch, o seliges Herz!

Simple little song, too long you have
lasted:
To seek too much is not fitting;
'Enjoy what you have, and be silent,' says
Love.

English translation ©2013 John Whigham

Semplicetta canzon troppo t'estendi:
Tanto bramar non lice;
«Godì il presente e tacì», Amor lo dice.

Testo italiano edito da Andrea Bornstein. L'analisi
dei testi poetici è stata eseguita da Joachim
Steinheuer.

Allzulang dehnst du dich aus, mein einfaches
Lied,
Soviel zu begehrn ziemt sich nicht;
"Genieß, was du hast, und schweig," so sagt es
Amor.
