

Notes on the menology of Ms. Nye Kunglike Samling 2126, 2o, Kunglike Bibl. Copenhagen (N.T. 1748)

Sept. 1. ... ?

Sept. 2. The kai is probably an error: any connection with the feast of the OT patriarchs on January 3, attested in some Georgian sources, and probably a Palestinian commemoration, seems too remote to be plausible.

10. since no commemoration is recorded in this ms, for the 11th., the anticipation of Theodora here by one day may derive from an ultimate copyist's error.

15. Akakios: ep. Melitine, as on this date in ms. O of Syn. Const. (47.42) [or = Isaakios ep. Cyprus, Sept. 21 (SC 64.50)]?

17. Eulampios. cp. Vienna Theol. Gr. 302 et soc. *[but well attested: Gregory, ms. Princeton]*

Oct. 1. No Arethas has connections with Oct. 1 *Greg.*

- 13. No Trophimus to be traced on this day.
- 17. Neophytos seems unidentifiable
- 20. Cornelius: as in various mss. of Syn. Const.
- 28. By transference from Nov. 28 (synaxaria 1, 2) - *Var. sig. 19*
- 24. Proclus: as in various mss. of Syn. Const.

Nov. 4. Theodora: unidentifiable (cp. the difficulties of Theodoros Nov. 5, Vienna GT 302  
ibid. Egkainia Theotokou eis ta Kurou, Syn. Const. ms. H. ed 66o. l. 41 = May 5

5. Sphoraktios: a spelling found in SC on Sept. 23 but not on this date.  
10. commemorated in SC on the 12th. and 11th.

12. Artemon: Oct. 8 no. 5 [or Nov. 9 no. 2?] *[celui du 8 oct. est aussi fete à d'autres dates, p. 12. 6 12 avril (cf. 346)]*  
Martinianos: pro Martinos *ms.*

23. Peter: cp. Cobler 224 and the corrector of Vienna 26Tn 302. Petros Kapetolocon. *(Synax. var. sig. 19 has P. Alex. on 23: no ref. on 25).*

25. Peter: patriarch of Alexandria, SC no. 2. *reference to Peter the Mesyene? (p. 11)*

29. Theodoulos: I identified the reference in Vienna Th. Gr. 302 et soc. with the stybite of Dec. 8, no 6.: but this reference makes it appear that the ascetic of that date, comm. no. 5 is intended in this tradition.

Dec. 17. the specification of John as bishop gives a little more indication of the origin of this note: it seems to me that the first bishop of this name, tenant of the see during the imprisonment of Euthymius and his subsequent martyrdom, is the most likely candidate. there is no trace, so far as I can trace, of his being a confessor: but his upholding of ikonodouleia in a dangerous time may have led to veneration.

Jan. 4. Chrysanthos: normally on March 19 but commemorated on this date in ms. M *[cf. Echos d'Orient, 5 (1901-2), 161. (col. 369, l. 43)]*

10. John ho katasabba ? *cf. Greg. (+ Syn. Op. 290<sup>54</sup> + Garitte 127)*

(cp. Vat. Syr 21: and April 20 in Vat. Syr. 20) April 21~~X~~ and in Vat. Syr 20.

22. Proterius: found on this date in several mss. of Syn. Const. (in the text, on the 28th.)

Thomas: doubtless the first patriarch of this name, normally March 19th.  
(found for this date in Vat. Syr 19) also attested for the 20/21/22 and for Febr. 18.

26. Macarius of Jerusalem is not commemorated in Syn. Const. nor is any hagiographical document recorded in BHG *(Maced.) décalage d'un mois*  
Greg. 376, Garitte 165.

29. These martyrs are commemorated in Syn. Const. on February 4th. no. 2, where their names are given as Pappios, Diodoros and Claudianos. (does the annus bissextilis often figure as the framework of synaxaria?) cf. Syn. 495, l. 44-46 *Dans MV, au 29: Cassiodor (cf. Syn. 237).*

March 5. Hesychios: found in Syn Const March 28th. ~~no.~~ in mss. BbBc. Not mentioned in E  
8. Theophullos: Syn. Const. Theophulaktos. *§ 13 mss. HD etc.*

13. Sabinos: presumably the martyr of March 12 no. 3. His company is probably due to analogy, or might possibly derive from the group of Sept. 25 (Sabinianos, Paulos, Tatta : Sabinos appears as a corruption of Sabinianos in SC 188.25)

15. John ho en rhouphinia: as in Syn. Const. ms. d al. recte Rhouphintianais

ibid. Pionius of Jerusalem: unknown to Syn Const. *(pas de Vita?)* and to BHG. Pionius of Smyrna (March 11: in this document March 10) is found in some mss. of SC on this date. *(but already in this document on Semble doublet faux?)*

Christina. martyr in Persia (SC no. 5 March 14): but also in this on M. 23.

21. Jacobus: ascetic of Febr. 21, although he is not bishop? *An unidentified Jacobus on March 21 in mss. D. De. D. b. c. and Jacobus appears in Vat. Syr. i*

ibid. Ananias: cp. Vienna Gr. Th. 302 soc.

ibid. Artemon: Synconst. March 24.4; mss. varr. March 22.

22. Thomas diakonos: apparently a derivation of the commemoration of Thomas patriarch of CP, generally found here, and in this document on Febr. 21st.

28. Liletos: an evident corruption of Philetos, Syn. Const. March 29 no. 3; *Vat. Syr 21 no. 2*

31. Neophytos: nothing to be found of this name on this date. *Vat. Syr 19 has Menadoros and Neophytos*

7. Eirene and Chionia: SC April 16, also 3 and 6 in certain mss.

8. Herodion etc: a fuller list of names is given in ms. D (col. 592 l. 46) but Epaphras (known here in Vienna GT 302 soc.) is foreign to it.

9. Patermothios: cp. Vienna GrTh 302.

12. Gerontios: this reference substantiates in a measure the conjecture of Baumstark that here a derivation of the martyr of April 14 (SC no. 4) is to be found.

April.

- §14. Pansilupios. SC April 8th. no. 3 also April 15, 603<sup>38, 51</sup> etc.  
ibid. Jacobus of Antioch: not to be traced in Syn. Const. *Val. syn. 20. see page 1000*
15. Leonides and company: April 17th: Nikodemos however seems a corruption of Nike. *15*

17. Kosmas: no name is given in the ms.

28. the only reference to Niketas in Syn. Const. is in ms. RC where no mention of his episcopate is given. Delehaye's note in col. 1016 makes this identification clear however.
30. Euphemias *(ms. P Ἐγκαίνια τῆς ἁγ. Ἐὐφροσύνης.)* *om.* ktl: the origin of this reference is clearly the commemoration of Eusebius Romanus and others in the church of s. Euphemia (Syn. Const. no. 31).
31. Eustathios: presumably the patriarch of CP 1019-1025 who is not however commemorated in Syn. Const. [nor mentioned in BHG: no Vita!] *and in Val. syn.*
- June 5. Eustathios of Antioch: found on this date in mss. R *Mr* (Febr. 21, 3: Aug. 23) *and in Val. syn.*

addition of Elijah is likewise elsewhere unattested.
