1. Official publications issued prior to the proclamation of a republic, when Ireland formed part of the United Kingdom. e.g. Ireland. Geological Survey
2. Official publications issued by the independent republic of Ireland, including those issued under the titles of Southern Ireland, Irish Free State, and Eire.

Note: In 1920 the British Government passed an Act setting up a separate Parliament under the title of Southern Ireland. On Dec. 6, 1921 Treaty signed by which Ireland accepted dominion status under name of Saorstát Eireann (Irish Free State). On Dec. 29, 1937 a new constitution came into force under which the former name of Eire is restored. Since that date the name of Ireland has been used, since the constitution is intended to cover the reintegration of the whole of Ireland.
